# Time for a Leadership Style Tune-Up?

## CERTIFICATE IN LEADERSHIP AND MANAGEMENT

According to *Harvard Business Review*, "Few things are more frustrating for talented professionals than hitting a ceiling in their careers because they lack the appropriate leadership style." (December, 2020). The **Certificate Program in Leadership and Management** provides concrete skills for leading and influencing successfully in everyday work situations. Taught by seasoned instructors and executives from a variety of industries, these courses help you develop the professional skills useful for a position of influence and greater responsibility — skills that help you define who you are, or aspire to be, as a leader.

Courses are offered in a flexible online format to accommodate busy schedules.

Choose a minimum of three (3) courses from fifteen (15) targeted 7.5-hour offerings to tailor the Certificate to your strengths and needs; courses may also be taken individually.

### UPCOMING COURSES INCLUDE:

**Women in Leadership** (April 4 & 6)  
**Business Process Improvement** (April 18 & 20)

**Business of Cybersecurity** (May 10 & 12)  
**7 Skills for Leadership** (July 12 & 14)
